

Legal Issues Council (LIC)

The Legal Issues Council is a forum for in-house counsel from supplier member companies discuss business-critical legal issues such as labor challenges, geopolitical impacts and influences, contracting challenges and legislative and regulatory activities in DC facing manufacturers in the automotive industry. Members of the council weigh in on the MEMA Policy priorities and discuss topics from other councils from a legal perspective.

Discussion Topics

Business-Critical Legal Issues

Legislative and Regulatory Updates and Impacts

Legal Updates and Current Trends
